

AdvancED Kentucky/Kentucky Department of Education 2018 Continuous Improvement Summit

Please join us for the Kentucky Continuous Improvement Summit on September 17-18, 2018, co-hosted by the Kentucky Department of Education (KDE) and AdvancED. Through a partnership focused on ensuring success for all learners, KDE and AdvancED are excited about offering a valuable professional learning experience to meet your needs.

- Receive training and updates from the Kentucky Department of Education (KDE), including the latest information regarding the new accountability system
- Learn about AdvancED's tools and resources to enhance your continuous improvement efforts
- Network with educators from across the state

During the Kentucky Continuous Improvement Summit, KDE leaders will provide all of the up-to-date information you need to effectively lead your district, school or classroom during the 2018-2019 school year and beyond. Sessions will highlight the new AdvancED dashboard, myJourney™, and tools provided through eProve™ to customize your continuous improvement journey. Information will also be available about the AdvancED Continuous Improvement System, Performance Standards, accreditation options and STEM Certification.

Do not miss out on the opportunity to learn from experts and peers to enhance your continuous improvement efforts. Join the journey!
